

Mr. Joseph Menoni, Manager,

Customer Training & Development, Motorola Solutions Inc.

Joe is currently a senior technical trainer, instructing law enforcement agencies on license plate reader systems for Motorola Solutions Inc. Before becoming a Manager for Customer Training and Development at Motorola Solutions, Joe spent twenty-one years with the Chicago Police Department before retiring from the department's Office of Constitutional Policing and Reform. Joe designed curriculum teaching all ranks with the department on use-of-force standards, best practices, and critical incident review. Prior to becoming a police officer, Joe was an elementary school teacher with the Midland Public School District in Midland, Michigan.
