I worked in Dubai police academy after my graduate for one year and a half as a field officer

And in the same time I was lecturer for the new trainers.

In 2016 I transfer to the CID department in 21/10/2016 and I started working there in criminal information department.

In 2020 I have been transferred to the wanted department to work as a field officer and I was training employees in technical surveillance in 2021 I lead the wanted team in expo 2020 till 2022 after that I returned to the HQ to work on the crimes and analyze crimes in SAS program and work with FR cameras and in 2023 I got to be the head of the section smart recognition division.
